Price: €15.74

Comfort for advanced riders The sporting challenge, a good workout, enjoying the scenery: Riding a road bike should first and foremost be fun. To achieve this, the handlebar tapes that you constantly grip need to perform well, be comfortable and be able to take a beating. This is where the "Tempo Microtex Bondcush Soft" from FIZIK comes in handy. This handlebar tape also impresses with its versatility. For example, a layer of polymer foam helps to Dampen vibrations. Combined with 3 mm thick Microtex, the result is comfort and high reliability. The special thing about this handlebar tape is the "soft" aspect: while the surface is soft and repels moisture, the look is matt. The 51.4 g lightweight tape is available in 5 different attractive paints. It is the perfect bike accessory for road cyclists who value performance and high quality.
