

## fi'zi:k Handlebar Tape "Vento Microtex Tacky (Racefeel 2,00 mm Tacky)"

purple fluo, SB-packed

**Price: €21.00**

For racing heroes & ambitious riders This is how performance-oriented racers feel: The "Vento Microtex Tacky" handlebar tape from FIZIK stands for precision, low weight and ultimate control. With a weight of only 41.5 g and many attractive paints to choose from, you can equip your road bike in the best possible way. Available in pairs, the extra-long Handlebar Tape also fits around aero handlebars. The name "Vento" clearly indicates the line: FIZIK has developed this handlebar tape for racers and with maximum performance in mind. The microfiber ("Microtex") enables precise handling and a particularly controlled grip. At just 2 mm thick, this is a very thin handlebar tape variant. The Microtex also reduces the weight of the tape to a top performance level. Optimum grip is particularly important for racing-oriented handlebar tapes. This is exactly what the non-slip Tacky surface with textured finish guarantees in all conditions. So if you are looking for extra performance, the "Vento Microtex Tacky" handlebar tape from FIZIK is just right for you. It stands for the right feeling in the peloton.
