

fi'zi:k Saddle "Tempo Argo R5"

(LxW): 260 x 160mm

Price: €58.30

The Fizik "Tempo Argo R5" saddle impresses with its sophisticated design and is the perfect choice for road cyclists who value comfort. With a length of 260 mm and a frame diameter of 7 x 7 mm, it adapts ideally to different body sizes and riding styles. The elegant black nylon surface ensures an appealing look and durability. The integrated recess and drop are cleverly designed to ensure effective pressure distribution, which is particularly beneficial on longer rides. The Kium frame not only provides stability, but also reduces the overall weight of the saddle. The scarves, made of nylon and carbon, contribute to the robustness and guarantee a high level of resistance. Without suspension, the saddle enables direct power transmission, which is essential for road cyclists. The patented seat post mount makes it easy to fit and adjust. The unisex design of the Fizik "Tempo Argo R5" saddle is aimed at all cyclists who are looking for a high-quality product for their sporting requirements.

Basic Data

Supplier Article Number:	70E0S00A23A22
EAN	8021890486592
MSRP:	€99.00
SB-Article	Yes
DST-Code	2C01
Bidex-Code	206010
Fedas-Code	160261
Brand/Supplier	fi'zi:k
Unit of measure:	PIECE
Weight	0.259 kg
