

fi'zi:k Road Shoe "Tempo Powerstrap R5"

navy / black, size 39

Price: €65.00

Versatile & innovative for cyclistsThe "Tempo Powerstrap R5 " is a versatile road cycling shoe with an innovative Velcro closure designed for an optimal fit. While most Velcro fasteners simply pull the two sides of the upper together, in this configuration a strap wraps around the foot for ultimate comfort and a wrap with just 2 straps. In this way, the principle of FIZIK's "Volume Control" system is reproduced: The instep and midfoot are separately adjustable areas that allow for a fully customized fit and compression. The "R5 nylon composite" outsole is also comfortable and supple on long distances without compromising pedaling performance.
