

Tires "Allround"

40-635 (28" x 1 1/2), 730g

Price: €9.99

The reliable all-rounder for all occasions Whether bumpy country roads, gravel or asphalt - the "Allround" tire from HARTJE's Economy Line is up for anything. A special plus: the tire is ECE-certified and approved for e-bikes at speeds of up to 50 km/h. The tread pattern of this tire is suitable for various off-road conditions. The Allround tire also offers excellent puncture protection: the robust 22-tracks-per-inch carcass and a special puncture protection insert effectively prevent punctures caused by foreign objects such as shards, small stones or similar. The "Allround" tire from HARTJE is available for wheel sizes of 26" and 28" with different dimensions. The Clincher Tires in discreet black are easy to fit, sit securely on the rims and cut a fine figure on any bike. The reflective stripes on the tire sidewall offer additional safety on the road. The puncture-proof "Allround" from HARTJE is the perfect bicycle tire for paved and unpaved roads thanks to its grippy tread, reliable puncture protection and safety features.

Basic Data

Supplier Article Number:	490065
EAN	4250311339269
MSRP:	€21.95
SB-Article	Yes
