The all-rounder for everyday use Anyone who rides their bike every day - whether in the city, on unpaved country roads or stony country lanes - needs a reliable and comfortable tire. The CONTEC "Electric" tires from the Economy Line series offer pleasant rolling characteristics on paved and unpaved surfaces. Solid puncture protection also effectively prevents flats caused by foreign objects such as broken glass, nails or sharp stones. The CONTEC "Electric" tires are versatile. It is available for 26" and 28" wheel sizes. The Clincher Tires are easy to mount and have a secure fit on the rims. Thanks to its good rolling properties on asphalt and unpaved surfaces, puncture protection and grippy tread, the CONTEC "Electric" tire is ideal for city bikes used on a daily basis.
