

MAVIC Helmet "Comete Ultimate MIPS"

black, size S (51-56cm)

Price: €119.02

Racing helmets from MAVIC The Comete Ultimate MIPS from MAVIC is a racing helmet for the daily commute. It is suitable for head circumferences of 51 cm - 56 cm. If it is still too tight or a little too wide, it can be precisely adjusted to the shape of your child's head using the Twist Lock. Thanks to the MIPS system, the Comete Ultimate MIPS promises additional safety. The system fits into the aero helmets as follows: A sliding shell inside rotates slightly if you hit your head at an angle in the event of an impact. The reflective elements make you more visible in traffic. The Comete Ultimate MIPS can be closed with a plug-in fastener.
