

MAVIC Helmet "Comete Ultimate MIPS"

black, size M (54-59cm)

Price: €119.02

The Comete Ultimate MIPS from MAVIC Safety on the bike is the be-all and end-all, which is why a helmet is essential - especially for youngsters. To ensure it fits perfectly, the Comete Ultimate MIPS from MAVIC is equipped with a Twist Lock, which allows the racing helmets to be adjusted precisely to the individual head shape. It is suitable for head circumferences of 54 cm - 59 cm. Thanks to the MIPS system, the Comete Ultimate MIPS promises additional safety. The system fits into the aero helmets as follows: A sliding shell inside rotates slightly when you hit your head at an angle in the event of an impact. The reflective elements make you more visible in traffic. The Comete Ultimate MIPS can be closed with a plug-in fastener.

Basic Data

Supplier Article Number:	40693521
EAN	889645865157
MSRP:	€219.00
Fedas-Code	160921
DST-Code	3F02
