

MAVIC MTB Helmet "Crossride SL Elite"

white / black, size S (51-56cm)

RRP: €69.00

The Crossride SL Elite from MAVIC Safety on the bike is the be-all and end-all, which is why a helmet is essential - especially for the next generation. To ensure it fits perfectly, the Crossride SL Elite from MAVIC is equipped with a Twist Lock, which allows the MTB Helmet to be adjusted precisely to the individual head shape. It is suitable for head circumferences of 51 cm - 56 cm. The Crossride SL Elite has a Visor so that you can get used to the changing light conditions in the forest better and faster. However, you can also simply remove it if necessary. A buckle keeps the MTB Helmet closed.
