Variable & individually adjustableThe Sports Trunkbag from NEW LOOXs is a water-repellent carrier bag that is ideal for touring (the included Rain Cover makes the bag waterproof). On the way from your bike to your hotel room, you can also carry the Bag over your shoulder using the practical shoulder strap. The size of the main compartment can be reduced or enlarged as required using a zipper. The Bag also has two fold-down side bags and a compartment for water bottles. The choice is yours: there are three different fastening options for the Sports Double. Either with a MIK or Straps adapter or with straps. Please note that the MIK and Racktime adapters are only suitable for corresponding luggage carrier systems.
