

RIXEN & KAUL Bottle Cage Adapter "Bottle Fix Extended"

for tube -Ø 15-60mm

RRP: €11.95

For water bottles on the seat tubeThe "BottleFix Extended" from RIXEN & KAUL is the attachment for bottle cages on the seatpost and fits all common bottle cages and tube diameters. The stainless steel strap fits both round and cross-sections in other shapes. RIXEN & KAUL advises against using it on carbon or other lightweight seatposts and recommends seeking the manufacturer's advice.
