Shopping basket and bike basket in one With KLICKFIX, the popular shopping basket from Reishel finally comes to bikes. The "Carrybag GT" rear wheel basket from REISENHEL offers you two benefits: one for carrying on foot and one for attaching to your bike. Thanks to the padded carrying handle, the transverse plastic basket is comfortable to carry and can be closed with a drawstring. The sturdy thermoformed base and stiffeners provide stability, while a zippered compartment inside offers space for keys and valuables. The stiffening elements can be removed so that you can store the baskets flat and save space. The "Carrybag GT" is available with 2 mounting options: either for Racktime or with Uniklip. The bike basket can carry a maximum load of 10 kg. It has a volume of 24 l and is 42 cm long, 33 cm wide and 28 cm high. It has a weight of 1.32 kg.
