

SECURITY plus Combination Chain Lock "ZKS 120"

black

Price: €5.56

ZKS 120 chain locks from SECURITY PLUS The ZKS 120 from SECURITY PLUS is a secure and very flexible chain lock. With its individual chain links, it is resistant to attacks from saws or bolt cutters. Thanks to the mobility of the short elements, the Lock is also very flexible in terms of connection options. You can pull it through the Frame or Wheel and chain it to a fixed object. Once locked, the ZKS 120 Combination Chain Lock can be opened again with a number code. The ZKS 120 from SECURITY PLUS is made of steel and nylon.
