black

RRP: €44.90

Robust for the relaxedThe "Drifter Medium Strengtex" is one of SELLE ROYAL's most robust models. This bicycle saddle is slightly smaller than the classic "Drifter Strengtex". However, it also impresses with its hard-wearing Strengtex cover against wear and tear. It is ideal for the relaxed riding position, i.e. for a generally relaxed posture with a 90° spine angle on the bike. The comfort saddle is equipped with Royalgel padding and a dual suspension system. In this way, it offers excellent shocks for maximum riding comfort.
