

Selle Royal Saddle "Respiro Soft Athletic"

unisex

Price: €41.19

Seating comfort for athletesThe "Respiro Soft Athletic" from SELLE ROYAL is the ideal saddle for longer rides. This is due not least to its ergonomic design with the proven Royalgel padding. This increases comfort by reducing the maximum pressure exerted by up to 40% thanks to its special three-dimensional structure. Added to this is the special ventilation channel of this MTB saddle. It improves air circulation wherever the rider touches the saddle. The channel also relieves pressure on the perineal area. This saddle, one of the most sophisticated in the SELLE-ROYAL product range, therefore remains comfortable even on long rides. In this "Athletic" version, the Saddle is ideal for a sporty riding style with a spine angle of 45°.
