Price: €41.19

Comfort for relaxed toursThe "Respiro Soft Moderate" from SELLE ROYAL is an ideal bike saddle for longer rides. This is due not least to the ergonomic design with Royalgel padding. This offers a high level of comfort by reducing the pressure applied by up to 40% thanks to its three-dimensional gel structure. There is also a special ventilation channel that improves air circulation wherever the rider touches the saddle. The channel also relieves pressure on the perineal area. As a result, this saddle, one of the most sophisticated in the SELLE-ROYAL product range, remains comfortable even on long rides. The bike saddle is designed for the "Moderate" riding position. It is therefore ideal for riders who generally sit on the Saddle with a spine angle of 60°.
