

Selle Royal Saddle "Lookin Athletic"

unisex

Price: €33.50

Well thought out & with a "window" The central feature of the "Lookin Athletic" from SELLE ROYAL is already in the name: A transparent "window" in the saddle's surface allows glimpses of the inside of the saddle, where you can see the Royalgel technology. This is characterized by a high level of comfort thanks to a special three-dimensional gel structure. The design is rounded off with silver applications on the sides, which protect the Saddle from scratches and impacts and give it a unique look. This MTB saddle is designed for the "Athletic" riding position. Here, the bikes rider usually sits on the bike with a spine angle of 45°.
