

Selle Royal Saddle "Lookin Moderate"

ladies

Price: €33.50

Top design for exciting insights The central feature of the "Lookin Moderate" trekking saddle from SELLE ROYAL is already in the name: A transparent window in the surface of the saddle allows a glimpse of the inside, where you can see the Royalgel technology. Its three-dimensional gel structure reduces the pressure exerted by up to 40 %. The design is rounded off by silver applications on the sides, which protect the saddle from scratches and knocks and give it a unique look. This model was designed for the "Moderate" riding position, in which the rider usually sits on the bike with a spine angle of 60°.
