

Selle SMP Saddle "Martin Touring"

large, (LxW): 256 x 263mm

Price: €45.26

Comfort saddles for city bikesThe "Martin Touring" is a comfort saddle for city bikes and extended bike tours. Typical of the SMP4BIKE design are the lowered saddle nose and the ventilation channel. This relieves pressure from sensitive areas of the body and improves blood circulation. In addition, the rear of the saddle has a hollow that prevents the tailbone from bruising when riding over bumpy roads. The black saddles are unisex.
