

Snell Protection Set

black

Price: €9.99

Well prepared for transportation This Transport Protection Set made of high-quality neoprene prevents scratches and damage to bikes. It is designed for transportation on the bike rack. The Set consists of 2 pedal covers and a protective pad. The pedal covers are made of elastic neoprene and fit all standard pedal sizes. They are secured with a Velcro strap. This prevents the bike frame from being scratched when loading and unloading the bikes. The neoprene protective pad is placed around the bike frame where the frame clamp of the bike carrier engages. It prevents scratches and scuff marks. One Set is required per bike.
