

TRELOCK Folding Lock "FS 200/75 Two Go"

black

RRP €64.99

Folding Lock FS 200/75 Two Go The "FS 200/75 Two Go" foldable locks can do both: compact and flexible. When folded compactly, it fits into the vibration-free Bracket directly on the bike frame. Unfolded, it is 75 cm long and thus offers enough circumference to flexibly lock the bike to most fixed objects. Security is ensured by the joints made of special Tredur steel, the strong joint bolts and the "IN-X" lock cylinder. The steel is specially hardened and therefore saw-resistant, cold spray-resistant and extremely impact-, cut- and bend-resistant. The lock cylinder has an automatic locking mechanism that is operated with a reversible key and has its own Dust Cap for self-protection.

Basic Data

Supplier Article Number:	8003687
MSRP:	€64.99
SB-Article	Yes
DST-Code	2H05
Bidex-Code	301530
Fedas-Code	160590
Brand/Supplier	TRELOCK
Unit of measure:	PIECE
Weight	0.731 kg

Technical Data

Design	folding lock
Length	75.0 cm
Locking type	key
Main colour	black
Safety	normal
Variant	Article
