

TRELOCK U-lock "U6"

"U6 (23)", 108mm wide, 230mm high

RRP: €95.99

U-locks U6Thanks to its bar made of special Tredur steel, the "U6" U-locks from TRELOCK offer comprehensive theft protection. The steel is specially hardened and therefore saw-proof, resistant to cold spray and extremely impact-, cut- and bend-resistant. The Lock therefore achieves the highest security level 6 on TRELOCK's own scale of 1 to 6. The "soft" surface of the bar is also particularly gentle on bicycle frames. The "IN-X" lock cylinder is manufactured in such a way that the keys cannot fall out of the lock and can be inserted from both sides. It also has a dust cap for its own protection. The "U6" is supplied with a Bracket and is available in two shackle lengths.

Basic Data

Supplier Article Number:	8005199
MSRP:	€95.99
SB-Article	Yes
Bidex-Code	301520
DST-Code	2H02
Fedas-Code	160593
Brand/Supplier	TRELOCK
Unit of measure:	PIECE
Weight	1.427 kg
