

CONTEC Dynamo "DL-120"

Left-hand attachment

RRP: €9.95

Always in the best lightReliable lighting is a must for all bikes that are used in road traffic.The CONTEC "DL-120" Dynamo in a robust, black plastic housing is suitable for left-hand mounting and offers a reliable Power Supply on all city or touring bikes with halogen or LED lighting. The 4 plug connections (2+/2-) always ensure first-class contact: the insulated cable ends are simply inserted into the removable plugs and plugged into the corresponding mounts. This ensures that the cables are firmly connected to the Dynamo and protected from oxidation caused by external environmental influences. The Dynamo is suitable for a 6 V and 3 W lighting system and is equipped with an Overvoltage Protector to protect the light bulbs. It is conveniently operated via a smooth-running release button. Thanks to its high-quality workmanship and easy handling, the CONTEC "DL-120" Dynamo is particularly suitable for mounting on all city or touring bikes with LED or halogen lighting.

Basic Data

Supplier Article Number:	465232
EAN	4250311300115
MSRP:	€9.95
Bidex-Code	207020
SB-Article	Yes
WEEE registration number	DE92509320
DST-Code	2E04
Fedas-Code	160673
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	0.166 kg

Technical Data

Amount of contacts	4 pcs.
Main colour	black
Mounting	left
Operating voltage	6,0 V
Overvoltage protection	yes
