

CONTEC Dynamo Cap "Dynamo Shell"

black

RRP: €3.95

Quick Dynamo RepairA functional and reliable Dynamo is essential for working bicycle lights and, therefore, for personal safety on the road. Especially with side-run Dynamos, there should always be sufficient friction between the friction wheel and the tire sidewall to ensure that the bicycle light works effectively The CONTEC Dynamo Cap restores lost grip on worn friction wheels without requiring a Dynamo replacement. Made of black PVC, the Dynamo Cap features a high-grip tread pattern and is highly abrasion-resistant. It can be easily pressed onto the dynamo wheel without tools, ensuring the reliable operation of the lighting system in all weather conditions. The CONTEC Dynamo Cap is compatible with the friction wheels of most side-run dynamos, making it highly versatile.The cap is ideal for quick and long-lasting repairs to bicycle lighting systems with side-run dynamos and is the perfect addition to any spare parts collection.
