

CONTEC Battery LED Light Set "Speed-LED USB"

black / neogreen

Price: €24.99

Practical & excellent "Speed-LED" lights up with 20 lux and can be mounted on every bike in seconds thanks to the practical universal mount. "Speed LED" is 100% StVZO-compliant (German Road Licensing Regulation) and is available including the battery. This light is available in a set with a slim LED rear light, which emits light clearly to the rear and to the sides at an angle of 300°. Brackets and a USB cable are also included in the set. By the way, the high quality of "Speed-LED USB" is no secret: The magazine "Radtouren" has awarded the set a "very good" rating. "Speed-LED USB" is available in the CONTEC Neo colours as well as in "coolgrey". Practical lights for everyday use.
