

CONTEC Front Light "HL-2000 B"

black

Price: €22.50

Bright & flexible Powerful bike lighting that can be conveniently charged with a USB cable. Anyone who chooses the LED front light "HL-2000 B" from CONTEC can't go wrong. The LED front light is marked with a German check number and is therefore StVZO-compliant (German Road Licensing Regulation). 2 light modes are available: The front is optionally lit at 40 lux or 15 lux. The light has an integrated lithium-ion battery. It is supplied with a stainless steel bracket and a USB cable. It also has an integrated front reflector. The front light can be conveniently mounted without tools and lights up for up to 6 h. Then it is simply charged via USB port. In contrast to permanently fixed lighting, this front light has the advantage of being able to be mounted and removed flexibly. The different modes and USB charging also speak for flexibility and convenience.

Basic Data

Supplier Article Number:	51125645-6
EAN	4250311357102
MSRP:	€44.95
SB-Article	Yes
DST-Code	2E02
Fedas-Code	160675
WEEE registration number	DE86405961
