

CONTEC Handlebar "La Baguette petite"

black

Price: €14.99

Chic & sleek CONTEC has succeeded in a successful combination of great functionality and a unique look with its "La Baguette petite" comfort handlebar. This bike handlebar's attractive looks are mirrored by the "La Baguette petite" name - in shiny black it immediately catches the eye. A handlebar with French elegance! The elegant multifunction handlebar is suitable for different bikes as well as different cyclists' requirements. Due to the soft transition to the ergonomically designed shape of the grip area in the cockpit centre, it is also suitable for longer tours or for cyclists with orthopaedic problems. With a width of 600 mm and a backsweep of 35°, this handlebar provides a high level of comfort when riding. The diameter of the handlebar is 31.8 mm with a height of 63 mm. The aluminium 6061 used, makes this ergonomically designed bicycle handlebar a robust lightweight and also gives it the finishing touch for high demands.
