

CONTEC Handlebar "Brut"

Ø 25,4mm

Price: €10.99

Extra flat for cool rides This MTB handlebar by CONTEC combines a stylish look with a convincing function. A flat bike handlebar has convincing advantages, especially in a mountain bike. The rider can simply support themselves on the CONTEC MTB handlebar "Brut" and take on rapid downhill routes or cool rides up to the mountain. The width of this high-quality CONTEC handlebar is 620 mm. Depending on the handlebar clamp on the stem, the product is available with 25.4 mm Ø or with 31.8 mm Ø. The 5° backsweep supports an ergonomic posture. The material of this bicycle handlebar supports a fast ride. The finest aluminium 6061 makes it a real lightweight. In addition, the flat bar, anodised in black and sandblasted, is also a visual highlight. "Brut" is a chic flat bar according to the EN MTB STANDARD. It is a reliable companion for beginners as well as for ambitious advanced riders.
