

CONTEC Triathlon/Time Trial Handlebar "Tri Bar"

black

RRP: €29.95

For hobby athletes & Hawaii competitorsIn triathlon and training for competitions, hours-long rides on a road bike are mandatory. This requires a triathlon handlebar, which sets innovative standards in terms of comfort and fatigue-free riding.The CONTEC triathlon/time trial bar "Tri Bar" offers pure comfort with its soft arm pads. It can be used for comfortable support when it comes to endurance performance or for a quick rest in between. The ergonomic position makes this CONTEC time trail bar a valuable companion when things get particularly strenuous.Time is an important factor in triathlon. Therefore, every component on the bike must be light in order to create a truly lightweight bicycle. "Tri Bar" with Ø 25.4 mm handlebar clamp is made of light aluminium 6061-T6. The material is robust and also rust-free.With a length of 350 mm, this triathlon handlebar offers riders plenty of room to find the perfect position. In stylish black, the base bar is also an attractive eye-catcher.
