

CONTEC Brake Connection Set "Drum Stop"

SRAM with counterholder

Price: €2.50

For robust drum brakes Drum brakes stand for reliability, easy maintenance and unrivalled durability in all weather conditions. In order to ensure the best braking performance, intact cables and a correctly adjusted brake are of great importance. The CONTEC brake cable assembly kit "Drum Stop" enables the simple and tool-free adjustment of the tension on all drum brakes by SACHS, SRAM and STURMEY-ARCHER with a double brake arm. The brake cable is simply guided through the universal connection set and fixed with an inside hexagon bolt. The tension is then increased or decreased by turning the handy barrel adjuster. Ideal for heavy duty Dutch bikes.

Basic Data

Supplier Article Number:	070.080
EAN	4250311339009
MSRP:	€6.95
SB-Article	Yes
DST-Code	2Q06
Bidex-Code	203090
Fedas-Code	160409
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	0.025 kg

Technical Data

Design	Bremse
Main colour	silver
Variant	Accessories
