

CONTEC Brake Shoe "R-Stop"

box with 25 pairs

RRP: €148.95

The right rubber compound makes the difference. High-quality brake shoes provide improved braking performance and longer rim life. A medium-hard rubber compound is ideal for bikes that are ridden daily in every type of weather.The CONTEC brake shoe "R-Stop" for side and centre-pull brakes offers DIN-tested quality and meets these requirements. The practical adjustment handles on the brake pad mount also make it particularly easy to install the brake shoes on the brake arms and to adjust the brake easily. The brake shoes can therefore be compressed in the locked state on the brake body, in order to then tighten the cable.The Medium Compound pads made of a medium-hard rubber mixture and a length of 55 mm ensure good contact with the brake track with a grippy profile.The CONTEC brake shoe "R-Stop" in a stylish black is available in pairs and is perfect for bicycles with aluminium rims.

Basic Data

Supplier Article Number:	R1P-RU-P13-A-P-BOX
EAN	4251507968577
MSRP:	€148.95
SB-Article	Yes
DST-Code	2Q06
Bidex-Code	203070
