

CONTEC Brake Shoe "R-Stop"

silver

Price: €4.99

Best braking performance for fast bikes Anyone looking for a challenge with their cyclocross or road bike should not compromise when it comes to the choice of brake pads. The CONTEC brake shoe "R-Stop" in a discreet black is DIN-tested and gets the best out of side and centre-pull brakes. The medium compound made of a medium-hard rubber ensures optimum deceleration during braking and minimal wear in various weather conditions. With the brake pads being 55 mm long each, good contact with the brake track of the bicycle is always ensured. In addition, the practical cartridge pads are easily replaceable: Worn pads are easily removed from the brake shoes with an Allen key and can be easily replaced - disassembly and realignment of the brake shoes is therefore not necessary. Thanks to their excellent braking properties, their reliability in all weather conditions and the easy replacement of cartridge brake pads, the CONTEC brake shoes "R-Stop" are particularly suitable for sporty road and cyclocross bikes.

Basic Data

Supplier Article Number:	R2P-RSA-C2S-P1-A-P
EAN	4250311372570
MSRP:	€10.95
SB-Article	Yes
DST-Code	2Q06
Bidex-Code	203070
Fedas-Code	160404
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.056 kg

Technical Data

Cartridge	yes
