

CONTEC Trousers Brace "Tweezers"

black

Price: €2.99

For safety & cleanlinessThe CONTEC trouser clips "Tweezers" combine several functions together: they prevent the pants from getting caught in the chain, keep them clean and cause you to be seen better. The trouser clips are simply placed around the trouser legs at ankle height and thus prevent contact with dirt and oil on the bike. At the same time, the reflective strip contributes to improved visibility. The braces are available in a pair in black. Thanks to the thermoplastic design, they are dimensionally stable and lightweight at the same time. Perfect for every daily ride.
