

CONTEC Saddle "Elliptic +"

Women's, L 255 x W 226 mm

RRP: €49.95

3 times more comfortable, 100% waterproofThe extra comfort: The “Elliptic +” from CONTEC is a saddle that lets you ride comfortably, healthily, and worry-free. Its secret lies in the formula for triple comfort. A special foam structure (FM Foam Matrix), excellent gel padding, and a butt-friendly design combine to create a comfortable riding experience. Support is provided exactly where you need it, so you can feel completely at ease.Even rides in wind and rain are no problem with the “Elliptic +.” That’s because this city and touring saddle is 100% waterproof. So there’s no need to worry about rain or wet conditions—in fact, with this Saddle, you can even leave your bike outside in bad weather without any concerns.In addition, CONTEC has taken steps to ensure the long-term durability of this city saddle. Once you’ve purchased it, you’ll enjoy it for a long time.There’s also a system behind the design of this saddle: The “Comfort Vent + Full Cut” offers an optimized seating environment and reduces weight by 20%. This bike saddle is also equipped with side protection.It’s also easy to attach accessories such as a saddle bag, thanks to the clip system (ICS) located on the underside of the saddle.The “Elliptic +” from CONTEC comes in understated and attractive black and silver. Both a women’s and a men’s version are available. If you’re looking for a comfortable bike saddle for city riding that also performs well on longer rides, this is the perfect choice.
