

CONTEC Saddle "Elliptic +"

ladies, (LxW) 255 x 226mm

Price: €24.99

The plus in comfort: The "Elliptic +" by CONTEC is a saddle that is comfortable, healthy and carefree to ride. Its secret lies in the formula for triple comfort. A special foam construction (FM Foam Matrix), an excellent gel padding and a sit-friendly design together create a comfortable riding experience. The support is in the right places, so that you can feel comfortable all around. Even wind and weather rides are no problem with the "Elliptic +". Because this city and touring saddle is 100 % waterproof. So you don't have to worry about rain or moisture, because with this saddle you can safely leave your bike outside in bad weather. In addition, CONTEC has done a lot to increase the durability of this city saddle. So once you've bought it, you'll have it for a long time. Furthermore, there is more to this saddle system's cut: The "Comfort Vent + Full Cut" offers an optimised seating climate and reduces the weight by 20%. In addition, this bicycle saddle is equipped with side protection. It is also easy to attach accessories such as a saddle bag. There is a clip system (ICS) on the bottom of the saddle. In terms of colour, CONTEC's "Elliptic +" is subtle and appealing in black and silver. A women's and a men's version is available. If you are looking for a comfortable bike saddle for the city, which also does well on tours, this is the one for you.
