

CONTEC Saddle "Elliptic +"

Men's, L 280 x W 181 mm

RRP: €49.95

3-Point System for Comfortable RidingSpecial comfort for touring: The "Elliptic +" trekking saddle from CONTEC provides a comfortable feel and makes the ride more enjoyable.Its secret lies in its 3-part design for comfort. On the one hand, the saddle features a foam pattern (FM Foam Matrix) that ensures comfort in all the right places. On the other hand, it has good gel padding, which also makes riding more comfortable. In addition, the “Elliptic +” has a butt-friendly design, allowing for ergonomic and relaxed riding. Another advantage of this saddle is that it’s 100% waterproof. This means you don’t have to worry too much about rain or wet conditions. Since the “Elliptic +” keeps everything out, you don’t need to take special precautions to protect it in bad weather. This trekking saddle is also highly durable, so you’ll get a long time of use out of it.In terms of design, you benefit from the “Comfort Vent + Full Cut.” With its ventilation, this design provides an optimized seating environment while reducing weight by 20%.Furthermore, the saddle features an integrated clip system (ICS-compatible) that allows you to attach accessories such as a Saddle Bag.The “Elliptic +” comes in a black and silver color scheme. Both a women’s and a men’s version are available. As a comfortable touring saddle, this CONTEC model really stands out. It’s perfect for enjoying bike tours.
