

## CONTEC Saddle "Elliptic +"

unisex

**Price: €24.99**

More fun with more comfort: The MTB and road saddle "Elliptic +" by CONTEC provides a pleasant feeling while cycling. The triple comfort makes this saddle special. This results from the interaction of an "FM Foam Matrix", an excellent gel padding and a seat-friendly design. All in all, the support in the right places provides an additional level of comfort. In wet and rainy weather, you don't have to worry. Because the saddle is 100 % waterproof. Thus, in bad weather, the bike can stay outside without the saddle retaining water. This also improves the durability. An important advantage is also hidden in the words "Comfort Vent + Full Cut". This means that the MTB and road bike saddle offers an optimised seating climate and a weight reduction of 20%. A useful feature is also the integrated clip system. Thanks to ICS compatibility, accessories such as a practical saddle bag can be easily attached. The "Elliptic +" comes in black and silver. This MTB and road bike version is a unisex saddle. So if you appreciate clever (comfort) features on a saddle at a fair price, this product by CONTEC is the right one.

### Basic Data

Supplier Article Number:	5138HR3A69171
EAN	4251507918725
MSRP:	€49.95
SB-Article	Yes
DST-Code	2C01
Bidex-Code	206010
