

CONTEC Saddle "Anatomic 2 - Sport Zone Cut"

unisex

Price: €15.99

Comfortable and waterproofThe CONTEC MTB saddle "Anatomic 2 - Sport Zone Cut" impresses with its patented design. With PU foam and a gel insert in the Double Density (D2) construction, more comfort and durability is achieved. For this purpose, a lightweight plastic core shell was provided with Kraton rubber inserts and was vacuum-sealed. The saddle is therefore absolutely waterproof and offers optimum comfort around the contact zones. In order to reduce pressure on the pubic bone and prostate gland, the CONTEC MTB "Anatomic 2 - Sport Zone Cut" was equipped with an O-Zone cut. In addition, the centre of the saddle is lowered, making it even more comfortable with its elegant, lightweight design. The "Anatomic 2 - Sport Zone Cut" by CONTEC does not require a plain seatpost clamp and rests on a steel frame. It is 264 mm long and 133 mm wide. The surface of the black MTB saddle consists of a synthetic leather cover with elastomers.

Basic Data

Supplier Article Number:	VL1416 UNISEX
EAN	4250311312835
MSRP:	€34.95
SB-Article	Yes
DST-Code	2C01
Bidex-Code	206010
