Stylish & comfortable - cycling like in the past
The CONTEC city/touring saddle "Classic Exclusiv Touring Ladies" harkens back to the bikes of the 1950s: This stylish women's saddle has a unique vintage look. The saddle comes in an exclusive classic design without a plain seatpost clamp and is suitable for mounting on modern seatposts. With a length of 250 mm and a width of 210 mm, it weighs approximately 900 g. The upper material of the saddle is made of smooth, genuine leather. The leather is adorned with rivets and has the CONTEC logo stamped in the centre. There is no need to sacrifice comfort with this model. The CrMo steel frame are equipped with 2 springs, which ensure that bumpy bicycle routes are cushioned. This creates relief in the tailbone area. Conveniently, there are 2 eyelets on the saddle, to which a saddle bag can be hung. The leather saddle is available in honey, gravy and coffee variants.
