Timeless chic & excellent comfortThe city and touring saddle "Classic Exclusiv Touring Gents" by CONTEC exudes nostalgic charm. The vintage-style saddle is available in 3 different colours. The sturdy cover material made of genuine leather is particularly stylish. This is a pure vegetable tanned, smooth leather. The saddle weighs 937 g, has a length of 270 mm and a width of 210 mm.Harmonious suspension at the saddle end with 2 built-in springs ensures comfortable sitting. The springs effectively dampen every impact. Furthermore, the rails made of chromium-molybdenum steel offer secure and comfortable support. The high-quality alloy ensures that the rails remain impact and crack-resistant. The saddle does not require a plain seatpost clamp, it is suitable for use with a modern seatposts, in which the post and the clamp form a single unit.The assembly of the saddle and post is more durable with modern seatposts than with multi-part clamps. This fulfils a further aspect in terms of high-quality seating comfort: A permanently vibration-resistant saddle angle.
