

CONTEC Saddle Cover "Top Seat Foam"

for touring saddle, dimensions (LxW): 260 x 250mm

RRP: €16.95

Healthy & comfortable sitting - even over longer distancesThe CONTEC saddle cover "Top Seat Foam" is equipped with additional comfort padding and relieves the tailbone. The padding contain Memory Foam, a special foam from orthopaedics. This has the ability to flexibly adapt to the anatomy of the rider and increases comfort at pressure-sensitive points that come into contact with the saddle. So even bumpy bike tours become a pleasure.The cover is pulled over the saddle, an elastic band at the edge of the cover holds it in place. The very light cover fits in any bag and can be put on or taken off on the go. The saddle cover is available in a version for MTB saddles as well as one suitable for touring saddles. In terms of colour, it consists of a combination of black and grey.
