

CONTEC Seatpost "SP-101"

Ø 31,6mm

RRP: €22.95

Stable fit, perfect positionThe seatpost "SP-101" from CONTEC enables a stable sitting position as well as a safe ride. This discreetly designed model has a 2-bolt clamping mechanism that allows you to easily attach the seatpost to the frame and saddle.The seatpost has an aluminium shaft, which offers stability and a low weight.In addition, the "SP-101" is equipped with an offset (to the rear) of 25mm. Therefore, if the seat tube angle of the frame does not fit, the distance between the stem and the saddle required for the correct seating position can be adjusted using the offset system.This seatpost from CONTEC has a length of 350mm and is available with diameters of 27.2, 30.9 and 31.6mm respectively.
