

CONTEC Stand Pump "Air Support Sport"

black / neogreen

RRP: €34.95

The allrounder for all casesWhether Schrader, Dunlop or Presta valves, whether footballs or air mattresses for beach holidays: The CONTEC floor pump "Air Support Sport" is equally suitable for all valves.The high-quality finish makes the pump a reliable and long-lasting companion when cycling everyday or on leisure rides. The pump body made of robust steel comes with a stable plastic base, which provides secure footing while pumping.The "Air Support Sport" combines a large capacity barrel with a large T-handle. The handle, covered with Kraton rubber, offers a generous grip area and prevents slipping. The result: Fast pumping with little effort. This means that the powerful bicycle pump can generate up to 11 bar or 160 psi pressure, which can be read easily from the clear pressure gauge with bar and psi display.With the practical twin head and the supplied adapters for balls and air mattresses, all common valves can be filled quickly and without changing the valve head. The practical locking lever ensures that the valve head is securely attached to the valve or adapter. The pump is available in CONTEC Neo colours as well as in grey.The CONTEC floor pump "Air Support Sport" is suitable for everyone, from the die-hard professional cyclist to the beginner, due to how easy it is to use and its versatility.

Basic Data

Supplier Article Number:	GF-38P-NG
EAN	4250311388229
MSRP:	€34.95
Fedas-Code	160651
SB-Article	Yes
Bidex-Code	301630
DST-Code	2I01
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	1.112 kg

Technical Data

Colour designation	schwarz / neogreen
Design	floor pumps
Features	pressure gauge
Foot material	plastic
Main colour	black
Max. pressure	11.0 bar
Max. pressure	160.00 PSI
Range of application	universal
Secondary colour	green
Technology	TwinValve
Valve type	Dunlop (DV) , Schrader (AV) , Sclaverand (SV)
Variant	Article
