

## CONTEC Chain Stay/Frame Protection Set "Full Screen"

transparent

**Price: €3.99**

Reliable protection and value retention Rock hits, chain slaps and chafing of the housings on the frame when riding on uneven terrain scratch the paint and thus expose the frame material. The CONTEC chainstay and frame protection set "Full Screen" made of 3M protective film is available in self-service packaging and effectively prevents scratching of the paint from moving parts. The self-adhesive set fits all frame geometries and consists of 1x 260 mm chainstay protector, 4x round frame protectors with a 27 mm diameter and 4x round frame protectors with a 20 mm diameter. The perfect paint protection for bikes that really get ridden.
