

CONTEC Children Pedal "CP-012"

black

Price: €4.50

Cool fo kidsChildren and young people have special ergonomic requirements and a high need for safety. The grippy "CP-012" is the ideal pedal for young cyclists. This special child/youth pedal is supplied self-service packed. With the usual 9/16" thread, it weighs only 334 g including the plastic body, boron axle and cup and cone bearing. The plastic cage is equipped with easy to see illuminating reflectors, which ensure good visibility off and on the road. "CP-012" by CONTEC: Reflective, robust, non-slip and thus perfect for children's bikes!
