

CONTEC Pedal "CP-024"

black / grey

RRP: €9.95

Perfect for the city bikeWhen riding through the city in rush hour every day - shopping, on the way to work or to school - a safe hold on the pedal and good power transmission are particularly important. The CONTEC city/comfort pedal "CP-024" leaves nothing to be desired for those who depend on their bike daily and in every type of weather.The plastic body and the plastic cage are made of one piece,are extremely durable and covered with a non-slip tread made of a grippy rubber, which ensures a secure hold and good power transmission in all weather conditions. Smooth-running cup and cone bearings and an axle made of robust boron steel ensure smooth pedalling and good stability. Each pedal is also equipped with 2 yellow reflectors, which ensure great visibility in traffic in low light conditions.The CONTEC city/comfort pedal "CP-024" weighs 350 g and thanks to its 9/16" thread is ideally suited for mounting on all common cranks.

Basic Data
