

CONTEC Pedal "Spurt"

silver

RRP €89.95

Brilliant companionThe CONTEC MTB/urban pedal "Spurt" is a real lightweight. Its streamlined design allows for fast rides with an MTB.An eventful ride on the MTB requires a pedal that is suitable for any terrain. This smooth, 9/16" aluminium pedal model offers flexibility. With a weight of only 248 g, which is realised by the open design without reflectors, even high cadences are possible when every second counts.High demands on comfort are also met with the "Spurt" pedal. In addition to its one-piece CNC aluminium body, it impresses demanding cycling enthusiasts with its sealed cartridge bearings and replaceable pins (R-pins compatible). These significantly increase the quality of the pedal.The fresh design of the highly polished MTB pedal, equipped with CrMo axle, combines itself perfectly with a flexible cadence. A must-have for those who love to be athletic and don't want to miss out on an attractive look!
