

CONTEC Pedal "Pivot"

black / silver

RRP: €29.95

Light and high qualityThis 300 g lightweight pedal is perfectly tailored to the needs of mountain bikers and trekking riders. This popular product by CONTEC consists of an aluminium body and has a CNC-milled CrMo axle. It has a sealed cartridge bearing. The pedal is made of absolutely high-quality materials. It is designed in such a way that it also provides good grip for the ambitious mountain bike rider. There is hardly any risk of slipping.The suitability for everyday use is underlined by the fact that it is provided with a reflector. So even in the dark, the rider doesn't have to worry. The pedal is black and silver.
