

CONTEC Pedal "Blacktop"

black / silver

Price: €12.50

Well equipped on the tourThose who like to ride on paved and unpaved roads with a mountain or a sporty trekking bike place great importance on solid, good gripping pedals. The CONTEC MTB/trekking pedal "Blacktop" is ideal for those who want a stable all-round, lightweight pedal for their MTB, cyclocross or touring bike. The CNC-milled aluminium body of the "Blacktop" not only looks sporty, but also has high torsional stiffness with a low weight of 268 g for both pedals. Smooth-running cup and cone bearings and the non-slip profile of the pedal cage allow good power transmission in any situation. The yellow reflectors are included in the delivery and increase visibility in the dark and thus safety in traffic. The 9/16" thread allows the pedals to be screwed into all common cranks. The "Blacktop" is ideal for those who like to ride both on and off-road.

Basic Data

Supplier Article Number:	WE- LU-C27G
EAN	4250311373881
MSRP:	€24.95
Bidex-Code	202310
SB-Article	Yes
