

## CONTEC System Pedal "Dual Sport"

black / silver

**Price: €27.50**

Systematic safetyEvery cyclist has different priorities and needs, and every route presents different challenges. This pedal impresses with its flexibility in all situations and also scores points with its stylish look. The CONTEC "Dual Sport" System Pedal is part of the popular clipless pedal family. This well thought-out design offers both real experts and ambitious leisure riders excellent comfort: the ingenious device enables uncomplicated and simple clicking in and out. This pedal mechanism is particularly noticeable in poor conditions and dirty shoe soles, making every ride even more comfortable. The clipless pedal with its sealed industrial bearing also impresses with its secure hold, which every rider will appreciate. The perfect individual fit of the pedal is realized by the adjustable rubber, which ensures optimum grip with normal shoes. A set of adjustable rubbers is already included with the CONTEC "Dual Sport", so that cycling enthusiasts simply attach the pedal with a quick click, adjust the rubbers and then set off immediately. The innovative single-sided System Pedal offers its users pure flexibility. Among other things, it is compatible with the SPD system, has an adjustable release hardness and 4° lateral freedom of movement. The lightweight design of the pedals enables fast and responsive riding. Including cleats, the clipless pedal with cage, which is designed without reflectors, weighs just 350 g. The "Dual Sport" pedal is the ideal base for anyone looking for a modern clipless pedal that combines quick mounting with ideal grip and flexible settings. The shimmering CrMo axles ensure that the pedal also looks good.

### Basic Data

Supplier Article Number:	WE- WPD-M17C
EAN	4250311307237
MSRP:	€54.95
Bidex-Code	202320
SB-Article	Yes
DST-Code	2N02
Fedas-Code	160375
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.34 kg

### Technical Data

Bearing type	sealed bearing
Design	system MTB/trekking
Frame material	aluminium
Housing material	aluminium
